Durable Probiotic  
Backed By Science

No Added  
Flavours

Versatile  
Usage

## What are the key ingredients?

- **BC30™ Probiotic Cultures:** Formulated with 1 billion BC30™ probiotic cultures per serving.
- **Beneficial Bacteria:** A friendly and scientifically backed patented strain that reaches where it counts.

## How does it benefit you?

- **Durable Probiotic Backed by Science:** Trust in a probiotic that is scientifically supported for quality and effectiveness.
- **Powder Mix for Probiotic Culture:** Convenient and easy to incorporate into your daily routine.
- **No Added Flavours, Colours or Sweeteners:** A patented and simple option for those mindful of what they consume.
- **No Refrigeration Needed:** Store it anywhere and use it anytime, without the need for refrigeration.
- **Versatile Usage:** Can be mixed with various foods and beverages, including shakes, tea, yoghurt, and even used in cooking.

## How do I take it?

Mix one scoop (1 g) with 350 mL of water or your favourite F1 Nutritional Shake Mix, Herbal Tea Concentrate or Herbal Aloe Concentrate.

## Who is it suitable for?

- **Anyone Looking for Probiotic Supplementation:** Suitable for those who want to incorporate probiotics into their diet.
- **Versatile Dietary Integration:** Ideal for people who prefer flexibility in how they consume their probiotics, whether in shakes, tea, yoghurt, or other foods.
- **Everyday Wellness Enthusiasts:** Perfect for those who wish to include probiotics as part of their regular wellness routine.

## You might also want to try

Formula 1 Nutritional Shake Mix, Personalised Protein Powder, Herbal Aloe Concentrate, Instant Herbal Beverage, and Active Fibre Complex.
